

PASSIVE VOICE QUIZ

Rewrite the sentences in passive voice so that they're in active voice. **Not all the sentences need to be corrected!**

1. The evening will begin with a xylophone sonata that was composed by my cousin Hester.
2. You should try the cassava casserole; it was baked by Rowena just this afternoon!
3. A fact known by everyone is that successful redecorating of a kitchen starts with avoiding using either fur or feathers on the walls.
4. We need to be more vigilant: Landon, our the mail carrier has been jumped twice by our lemur!
5. However, the only mail carrier that our lemur has ever jumped is Landon.
6. In the past our Arbor Day celebration has been seriously compromised by Griswold's use of mini trees made of blue pipe cleaners.
7. "The parasailing equipment is being taken care of by Grandma," I assured me family. "You don't have to worry!"
8. "I don't care what others say," huffed Voula. "The compost pile won't be helped by adding pencil shavings."
9. "I like as well as anyone a good prank for April Fools," said Lotta skeptically, "but if we sneak into the faculty lounge to put goldfish into the coffee, don't we run the risk of being caught?"
10. Suki's excuse for not finishing her essay on time was that the night before it was due, she'd been abducted by aliens, but her professor didn't believe her.
